Private Dining at The Unruly Pig

For larger parties (and for those guests booking our Private Dining Room) we offer our Classic and Premier party menus. In addition, for the most special occasions, we also offer a Bespoke menu – a memorable and exquisite experience where we create a menu personalised to you. Whether it be a five-course tasting menu or a banquet of whole suckling pig carved in the room by Head Chef, Dave Wall, you tell us what you would like us to cook and leave the rest to us.
